1 Introduction

- 1.1 School attendance is not merely a requirement, but a fundamental pillar of education. It plays a pivotal role in shaping academic success, personal growth and future prospects, making it an indispensable aspect of any educational system. Regular attendance directly correlates with academic success and provides a vital social environment for children and young people to interact with peers, develop friendships and learn essential social skills. It also has a significant impact on wider school engagement in activities and enriching experiences that contribute to children's overall development, as well as building routine and teaching them time management and responsibility, which are valuable life skills.
- 1.2 Our unwavering commitment to attendance centres around child-centric actions, evidence-informed practices, and a shared understanding of everyone's roles and collective responsibilities to promote exceptional attendance.
- 1.3 To enable pupils to reach their full academic potential, it is vital that they attend regularly and on time every day that the School is open, unless the reason for absence is unavoidable. Poor attendance results in pupils making less progress, both academically and socially.

2 Aims

- 2.1 This policy will set out how the School will create a positive and inclusive school environment and support all children to have good attendance and punctuality.
- 2.2 It outlines how the School will work with parents/carers to ensure their child attends school regularly and punctually and to overcome any barriers that may be impacting their child's attendance and achievement.
- 2.3 It will ensure attendance and punctuality is everyone's business, including parents/carers, pupils, staff, governors and trustees.
- 2.4 This policy operates within the framework of statutory attendance regulations outlined in the [Education \(Pupil Registration\) \(England\) Regulations 2006](#) and subsequent amendments, and adheres to the DfE's statutory guidance, [Working Together to Improve School Attendance](#).
- 2.5 It also ensures that the School complies with and effectively implements the requirements of the following key attendance acts and guidance in the UK:
 - [Education Act 1996](#)
 - [Education \(Pupil Registration\) \(England\) Regulations 2006](#)
 - [Education \(Pupil Registration\) \(England\) \(Amendment\) Regulations 2013](#)
 - School Attendance Code of Practice
 - Local Authority School Attendance Guidance
 - Department for Education (DfE) Guidance, including [Working Together to Improve School Attendance](#)
 - Child Employment Legislation
 - [Children Missing Education \(CME\) Statutory Guidance](#)
 - [Section 19 of the Education Act 1996 \(England and Wales\)](#)

- collaborating with attendance staff and senior leaders to identify patterns of absence or lateness and intervene early to address any underlying issues;
- supporting with the provision of academic and emotional support to children who experience attendance challenges;

- recognising children's attendance to school;
- reporting any safeguarding concerns related to a child's attendance promptly.

3.8 **Parents/carers** play an essential role in supporting good attendance and their involvement and commitment to their child's education can have a significant impact on attendance rates. Your responsibilities include:

- establishing a daily routine that includes regular and punctual school attendance and emphasise the importance of attending school regularly and on time;
- encouraging a positive attitude towards education, discussing the value of school and the opportunities it provides for your child's future;
- promoting good health practices that mean your child is less likely to miss school due to illness, including proper nutrition, regular exercise and adequate sleep;
- encouraging your child to form positive relationships with their peers;
- understanding the consequences of school absence;
- supporting your child's learning by showing an interest in their homework;
- participating in parent evenings and meetings;
- celebrating your child's achievements and milestones at school and recognise their efforts and successes to boost their self-esteem and motivation;

- monitoring your child's progress and attendance, being aware of any changes in attendance patterns that may signal underlying issues and communicating any concerns to school;

- seeking support from school, healthcare professionals or other relevant agencies if your child is facing challenges that affect attendance and keep school staff informed of any such involvement;
- working collaboratively with school staff to address any attendance issues, exploring support and intervention if necessary.

3.9 **Pupils** themselves play a significant role in attending school regularly and ensuring their educational success. Their responsibilities include:

- a commitment to attend school regularly, understanding that this is essential for gaining knowledge, skills and opportunities for the future;
- striving to arrive at school on time each day;
- maintaining a positive attitude towards school and learning, being open to new experiences and willing to engage in classroom activities;
- taking responsibility for their own education by completing homework on time and ensuring they have the necessary equipment for school;
- building positive relationships with peers, being friendly, respectful and inclusive in all interactions with other pupils;

- communicating to parents/carers reasons for not being able to attend school so that school can be informed;
- seeking support from a trusted adult when facing challenges that affect attendance.

4 Safeguarding Children and Attendance

- 4.1 The School follows *Keeping Children Safe in Education* statutory guidance.
- 4.2 Securing good attendance is a fundamental responsibility within our duty to safeguard and promote the welfare of children (*Working Together to Safeguard Children*, DfE).
- 4.3 The School has a duty to safeguard the welfare of all pupils. Any concerns about a child's attendance will be investigated promptly to ensure their wellbeing.
- 4.4 Unexplained or extended absences will trigger safeguarding procedures, including home visits and communication with relevant agencies.

5 Attendance and Punctuality Expectations

- 5.1 The school day begins at 8:45am and ends at 3:10pm (Reception), 3:15pm (Yrs 1-5) & 3:20pm (Year6).
- 5.2 Morning registration opens at 8:45am and closes at 9:15am, and afternoon registration opens at 1:00pm and closes at 1:15pm. Children are expected to arrive on time and attend all scheduled lessons and activities.
- 5.3 Schools have a statutory duty to keep an accurate attendance register, which will be maintained in accordance with statutory requirements and government guidelines. Attendance will be recorded using the DfE's statutory attendance codes for each half day of school (see Appendix C for further detail). No pupil will be marked present unless actually in the room when the register is taken.

6 Our Approach to Securing Good Attendance

- 6.1 Our attendance philosophy is rooted in a recognition-based approach that recognises both personal and collective achievements. This serves to thwart isolation, prevent victimisation, cultivate positive environments, nurture relationships, foster inclusivity and ultimately promote intrinsic motivation among our pupils, families and staff.
- 6.2 The School aims to ensure that all pupils attend regularly and on time to enable them to take full advantage of the educational opportunities available to them. Regular, punctual attendance is valued and positively encouraged for all pupils. Excellent attendance and punctuality will be recognised. The School's recognition-based system includes the following recognition and incentives:
- Positive comments/recognition from staff
 - Attendance certificates/assemblies
 - House Points
- 6.3 To ensure a comprehensive approach to attendance, the School implements a multi-stage system of support. This involves three stages of intervention, with roles for teachers, school, children, parents/carers and external agencies, including the local authority.
- Stage one – Universal Approach: establishing a baseline universal attendance approach that benefits all children
 - Stage two – Internal Individualised Strategies and Early Help Support: tailoring strategies to individual needs and providing early help support for persistent attendance challenges
 - Stage three – Higher Needs Strategies Support: furnishing specialised support for children, young people and families with complex attendance requirements, including access to external agency support when necessary

Further detail relating to the types of support available within each stage can be found in Appendix A.

- 6.4 The School will challenge the attitude of those pupils, parents/carers and staff who give a low priority to attendance and punctuality.

7 Absence

- 7.1 A pupil is absent if they do not attend school for any reason. A pupil is also marked as having been absent if they arrive at school after the register has closed. Only the Principal has the authority to authorise or unauthorise absences. (See Appendix C for information on the DfE attendance codes for school registers.)
- 7.2 Absence is **authorised** for any pupil aged 4 to 19 for the following reasons:
- a genuine illness or sickness, that is not considered a minor illness or sickness
 - a medical or dental appointment which unavoidably falls within school time and for which the Principal has granted leave
 - a religious or cultural observance for which the Principal has granted leave
 - an absence due to a family emergency
- 7.3 Absence is **unauthorised** for the following reasons:
- parents/carers keeping their child off school unnecessarily or without reason
 - truancy before or during the school day
 - absences which have never been properly explained
 - arrival at school after the register has closed
 - absence due to shopping, looking after other children or birthdays

- absence due to day trips and holidays in term-time
 - leaving school for no reason during the day
- 7.4 Excessive lateness will also be recorded as unauthorised absence. It is usually appropriate for parents/carers to send their children to school with mild illnesses or general cold symptoms such as a minor cough, runny nose or sore throat. Some children may be anxious about attending school and worry or mild or moderate anxiety, whilst sometimes difficult emotions, can be a normal part of growing up for many children and young people and being in school can often help alleviate the underlying issues; absence from school is likely to heighten a child's anxiety about attending in the future, rather than reduce it.
- It is at the Principal's discretion whether an absence is authorised or unauthorised.
- 7.5 Absence will be classified as **persistent absence (PA)** when a pupil has an attendance rate of 90% or below. This means they have missed 10% or more of their school sessions. This is a significant cause for concern.
- 7.6 Children at **risk of persistent absence** have attendance that is consistently low and is becoming a concern. In most cases, we identify pupils who have missed 10 or more days of school as being at risk of persistent absence and will follow internal school procedures to support.
- 7.7 **Severe absence** is used to describe the most serious cases of non-attendance, where pupils have missed 50% or more of school time. There will be focus and support provided to these children who are absent from school more than they are present, as they may find it more difficult to be in school or face bigger barriers to attendance, and as such are likely to need more intensive support across a range of external agency partners. This will include the involvement of children's social care.
- 7.8 The terms and definitions above are important for tracking and addressing attendance issues and will be used to identify pupils who require support with their attendance. All registers will be checked and absences monitored on a regular basis. This is a collective responsibility, involving tutors/class teachers, senior leaders, administrators and the Attendance Welfare Officer. The School has a procedure in place to resolve unexplained absences as soon as possible, and in all cases within 5 school days of the session of absence.
- 7.9 The School uses data to target attendance improvement efforts to pupils and pupil cohorts who need it most. Our strategy for using data for identified groups of pupils (including those with special educational needs, looked after children, pupils eligible for free school meals, pupils from different ethnic groups, pupils who have an allocated social worker, and pupils at risk of persistent or severe absence) includes:
- use of the School's Management Information System
 - use of an attendance data tracker
 - attendance data meetings

In addition to the promotion and incentivisation of good attendance, as outlined above, the School will also implement a range of strategies to address any barriers to attendance. Alongside this, the School will implement its escalation processes to alert parents/carers when concerns arise and work with families to improve attendance. Strategies will include early intervention, support for vulnerable families and intervention programmes, as well as ensuring that the school environment is positive and inclusive. Understanding the specific factors affecting attendance for individual children and families is crucial for developing any targeted interventions and support systems to improve attendance. Where there are concerns regarding a pupil's attendance, the following interventions may be implemented by the School:

- telephone calls to parents/carers
- letters to parents/carers
- home visits (these can be pre-arranged or cold call visits)
- meetings with parents/carers and pupils to discuss any issues
- school mentoring
- attendance contracts
- Consideration to be given for referral to external support agencies, in conjunction with the LA.

7.10 If there is no improvement in a pupil's attendance following the School's interventions, the matter will be referred to the local authority for advice and possible legal action.

7.11 The School is legally required to provide the local authority with the names and addresses of all pupils of compulsory school age who fail to attend school regularly, or who have been absent without authorisation for a continuous period of ten school days.

7.12 The School's strategy for reducing persistent absence and severe absence incorporates all the strategies listed in the above sections and includes incentives, support and intervention, external agency support and an escalation process involving referral to the local authority. Further detail can be found in the School's multi-stage system of support in Appendix A.

8 Lateness

8.1 Pupils must attend registration on time to be given a present mark. Pupils who arrive after the start of registration but before the close without a genuine reason will be marked as 'late' and an appropriate sanction will be given in accordance with the School's Behaviour policy. Arrival after the close of registration will be recorded as an unauthorised absence.

8.2 It is the initial responsibility of the tutor/class teacher to address the issue of persistent lateness with the pupil and their parents/carers. If the School's sanctions have no impact on the persistent lateness and the parents/carers fail to support the School by ensuring their child arrives on time, the parents/carers will be informed in writing that the late arrivals will be recorded as unauthorised absences and they will be made aware of the consequences of this action.

9 Legal Framework and National Framework for Penalty Notices

9.1 Parents/carers of registered pupils have a legal duty under the Education Act 1996 (Section 444) to ensure that pupils of compulsory school age attend school on a regular and full-time basis. A child is of compulsory school age at the beginning of the term following their 5th birthday. If a child of compulsory school age fails to regularly attend school, then the parents/carers are guilty of an offence and may be referred to the local authority. Failing to ensure a child's regular school attendance can lead to legal consequences.

9.2 The School is responsible for liaising closely with the local authority's attendance service and will follow their standard approaches in managing attendance issues (see Appendix B for

further information). Where all voluntary support options have not been successful, or have not been engaged with, the law protects pupils' right to an education and provides a range of legal interventions to formalise attendance improvement efforts, and where all other avenues have been exhausted, enforce it through prosecuting parents/carers.

- 9.3 The national threshold for considering a Penalty Notice is 10 sessions (5 days) of unauthorised absence in a rolling period of 10 school weeks, which can span different terms or schools years. Penalty Notices may also be issued by the local authority in other cases where appropriate, for example where several term time holidays are taken, or for repeated absences for birthdays or other family events.
- 9.4 Penalty Notices are £160 per parent per child (reduced to £80 if paid within 21 days). A Penalty Notice cannot be issued for the same child if there is a third occasion of unauthorised absence in a 3 year rolling period and it is highly likely that the local authority will take direct prosecution action in the Magistrates' Court which can result in you receiving a criminal conviction. Please also be aware that any cases of extended periods of unauthorised absence, linked to holidays or trips away, are highly likely to result in prosecution action by the local authority.

10 Absence Procedures

- 10.1 Parents/carers must contact the School on the first day of their child's absence to provide the reason for the absence. They must maintain daily contact with the School on any subsequent days of absence.

- 10.2 The system used by the School is as follows:

Parents should contact the Academy as soon as possible each day a student is not going to be in school, stating their name and the reason for absence on 01905 453348 or alternatively email office@perdiswell.tgacademy.org.uk.

- 10.3 If the School receives no contact from parents/carers regarding an absence, the following procedures will be followed:

The school office will contact parents/carers, a process known as 'First Dat Calling' and arrangements may be made for a home visit where appropriate. We will try all the contact numbers we have on your child's school records.

- 10.4 Reasons for absence, either verbal or supported by written notes from a parent/carer, may not always be accepted as a satisfactory reason for the absence. If this is the case, the School will make formal representation to the parent/carer in writing to challenge the reason for absence that has been provided.
- 10.5 The School may request further evidence of a pupil's illness. This request will be put in writing to the pupil's parent/carer.
- 10.6 Appointments for a dentist, doctor or optician must be made outside of school hours whenever possible.
- 10.7 Medical evidence may be requested where clarification is needed to accurately record absence in the attendance register. (See Appendix C for further information on the DfE attendance codes.)
- 10.8 If a pupil is absent from school and no reason has been received and no contact can be made with the parents/carers, and there is a cause for concern, the Attendance Welfare Officer or a

nominated member of staff will make a home visit. If there is no response from the home visit and the concern persists, the matter will be raised immediately with the safeguarding team.

- 10.9 If a reason for absence has been received and there is a concern regarding that reason, the Attendance Welfare Officer or a nominated member of staff will make a home visit. If there is no response from the home visit and the concern persists, the matter will be raised immediately with the safeguarding team.

- 10.10 Absences will only be authorised at the discretion of the Principal.

11 Leave of Absence Requests

- 11.1 All leave of absence for pupils must be authorised by the Principal and the Principal will determine how many school days a pupil may be absent from school if the leave is granted.
- 11.2 In accordance with the School Attendance (Pupil Registration) (England) Regulations 2024 the Principal will not authorise a leave of absence unless they consider there are exceptional circumstances relating to the application. Each application will be considered on its individual merits. In general, a holiday or other absence for the purpose of leisure and recreation will not be considered an exceptional circumstance.
- 11.3 Parents/carers must request leave of absence for their child in writing, using the Leave of Absence Form which is available from the school office. The Principal can only consider applications for leave of absence which are made by the resident parent, i.e. the parent with whom the child normally resides. Sufficient information and notice must be provided to allow the Principal to consider all exceptional circumstances and notify parents/carers of their decision. The school may request further information or supporting documentation. Applications not made in advance cannot be authorised.
- 11.4 A letter confirming that the Leave of Absence form has been received and stating the Principal's decision will be sent to parents/carers within 7 school days of receipt of the form. Where an application has been refused, the child is expected to attend school on the dates set out on the request form. If they are absent during that period, the absence will be recorded as unauthorised. If additional days are taken before or after the requested period, these may also be considered part of the same absence.
- 11.5 Applications for leave of absence which are made in advance and refused will result in the absence being recorded as unauthorised. All matters of unauthorised absence related to a leave of absence will be referred to the local authority for them to consider issuing a Fixed Penalty Notice in line with their non-school attendance and Penalty Notices code of conduct. (A copy of this can be found on the local authority website). See section 9 of this policy for further information on Penalty Notices. The local authority may deem prosecution more appropriate in some cases.
- 11.6 If a Fixed Penalty Notice is issued and is not paid within the timeframe set out in that notice, the matter will be referred to the Local Authority's Legal Services to consider instigating criminal prosecution proceedings under S444 of Education Act 1996.
- 11.7 The School will inform parents/carers of the possibility of the pupil's removal from the School roll, once safeguarding checks have been undertaken and the issue has been referred to the local authority, if the pupil does not return on the agreed date and no reasonable explanation is provided.

12 Non-Compulsory Age Pupils: Nursery

- 12.1 Although there is no legal requirement for a pupil to attend nursery, it is widely acknowledged that establishing routines including good attendance in early years reaps benefits when children become of compulsory age.
- 12.2 Registers will be taken for every pupil (of both compulsory and non-compulsory school age) whose name is listed in the admission register, and register codes will be used in line with DfE guidance (see Appendix C for further detail).

13 Travellers

- 13.1 There is provision within legislation to permit Travellers to remove their child from full-time education whilst they are travelling, however this can only be done after the completion of 200 sessions (100 days) in an academic year. The parents/carers should be encouraged to attend school to discuss the pending period of absence prior to removing their child. It is at the discretion of the Principal whether or not to authorise this absence.

14 Elective Home Education (EHE)

- 14.1 Some parents/carers may choose to electively home educate their child. This means the child is removed from the school register and parents/carers take responsibility for providing education to their child at home.
- 14.2 The School would not usually recommend that parents/carers choose to electively home educate their child, as children's needs are best met in a school environment where professionals can offer their expertise and support. The decision to home educate a child is a significant one and places great demands on parents/carers.
- 14.3 Parents/carers who opt to electively home educate their child must inform the Principal in writing of this decision and the date from which they wish their child to be removed from the school roll. They will then usually be invited into school to discuss this decision.

Appendix A: Multi-Stage System of Support

Case Work for Irregular Attendance

Appendix C: DfE Attendance Codes

Code \ (Present at the school):

- Pupils must be present during registration to be counted.
- If a pupil leaves after registration, they are still counted as attending for statistical purposes.

Code L (Late arrival before the register is closed):

- The pupil arrives after the register starts but before it closes.
- Schools should discourage late arrival and set a consistent time limit for open registration, not exceeding 30 minutes.
- If a pupil arrives late after the register closes, mark them as absent using code U or another appropriate absence code.

Code K (Attending education provision arranged by the local authority):

- Pupil attends educational provision arranged by the local authority, not by the school.
- Examples include attending courses at college or receiving home tutoring.
- Schools must record the nature of the provision and ensure notification of absences.

Code V (Attending an educational visit or trip):

- Pupil attends a school-arranged educational visit or trip supervised by school staff.
- Must take place during the recorded session.
- If pupil doesn't attend, record absence using relevant absence code.

- Criteria for recording attendance are similar to other approved educational activities.
- Schools must record the nature of the activity and ensure safeguarding measures.

Code D (Dual registered at another school):

- Used when a pupil is registered at more than one school, indicating absence with leave to attend the other school.
- Main examples include attendance at a pupil referral unit, hospital school, or special school temporarily.
- Schools must promptly follow up on unexpected or unexplained absences to avoid double counting.

Code C1 (Leave of absence for regulated performance or employment abroad):

- Schools grant leave for pupils to participate in regulated performances or employment abroad under specific circumstances.
- Criteria for granting leave include licenses issued by local authorities or exemptions.

- Schools can grant leave for pupils to attend interviews for employment or admission to another educational institution.
- Applications for leave must be made in advance, and leave is granted based on specific criteria.
- The interview must occur during the recorded session, and the absence is classified as authorized.
