The Perdiswell Post

Dear Families,

I am relieved that our recent wave of Covid 19 has passed and numbers of new infections are once again low. Thank you for all of your support regarding safe distancing and wearing face masks on site. We respect that some people will want to continue wearing a mask, but this is no longer a requirement on our school site. Our current bubble structure will be maintained during breaktimes until after half term, when we will once again return to a more normal routine.

You should all have received a letter indicating the dates for Parent's Evenings after half term. We have tried to structure a hybrid offer of both video and face to face meetings to suit your preference. Our Year 6 Parent Meetings will once again be face to face presentations, led by the children and these appointments for each class, are structured over one day. Please book an appointment by 10:00am on Friday 18th February 2022.

This week we have been focussing on Mental Health Week, Growing Together and the children have once again, demonstrated respect and empathy during discussions. As adults, we recognise and understand the challenges that we have faced over the past two years but many of our children don't understand the upset and fear. Masks, bubbles, isolations and home learning are a cause of anxiety and frustration but reflecting on all the positive elements of school and home life help the children to build resilience and keep smiling.

Finally, huge congratulations to Mr Grange who has been shortlisted for this year's Worcestershire Education Awards New Teacher of the Year category. The awards are taking place on 24th February on the Worcester News Facebook page www.facebook.com/theworcesternews at 7pm and all are welcome to watch. We wish him every success and whatever the outcome, he will be a winner at Perdiswell!

Eco Committee's Top Tips

Each month our Eco Committee will be sharing some top tips for you to help towards looking after our wonderful planet.

February's Top Tips:

Ensure your home lightbulbs are energy saving lightbulbs.

Before you throw away packaging, check to see if it can go in your green recycling bin.

You could start a compost bin for your food waste. Over time the waste will turn into compost that you can use in your garden.

Are you being Eco friendly at home?

We'd love to see your photos!

Email them to Miss Flack and the Eco Committee via year2@perdiswell.tgacademy.org.uk

Perdiswell Football News!

Congratulations to the Perdiswell Football Team who represented us so well at Cranham Primary on Tuesday 9th February.

They demonstrated excellent sportsmanship and resilience in a very close game. Mr Grange and Mr Rhodes are very proud of them all!

FINAL SCORE:

Please ensure all uniform, including ties, are clearly named. Thank you.

Please ensure your child arrives at school with all necessary equipment, including a waterproof coat and a water bottle before morning registration.

Thank you for your support.

Important!

Our staff carpark is only available for parent parking between 7:30-8:15am and 3:30 - 6:00pm for our wrap around care unless by prior arrangement.

Please do NOT use the car park gate as a pedestrian entrance at any time. It is only to be used as an exit at specific times, when cones and staff are present to make the entrance safe. Thank you.
