The Perdiswell Post

15th July 2022

School Council 2021-2022

School Council would once again like to thank our Perdiswell community for all their support. We have had a busy and challenging year but have still managed to help our community and worthy charities.

We were overwhelmed by your generosity when we collected for Ukraine, and we have continued to collect substantial donations for Worcester Foodbank. We know these have been very welcome.

Eco Committee 2021-2022

Eco Committee have worked hard this year to ensure we retained our Green Flag status. This has included reviewing our own Eco activities in school and promoting an environmentally aware ethos in our community.

We hope that you have enjoyed our Eco Tips in the newsletter as well as taking part in the Greenpeace Plastic Count event. We all enjoyed the Brake Road Safety day too. In school, we have made wormeries and made additional bug hotels for our busy wildlife areas in Forest School.

Through the work of the School Council and the Eco Committee (and in consultation with the students), we have managed to plant our own Jubilee Orchard. This will hopefully be an area for the whole school to enjoy through the seasons. We thank Worcester City Council for their generous Community Environmental grant, which allowed this to be so successful.

Times and dates are subject to change

We operate by an open access policy where children under 8 years of age must be accompanied by a parent/responsible adult. Participants are required to sign in (including parental consent) at the start of each session. We only facilitate sessions and do not operate as a children service or creche facility. We do not accept responsibility for any children left at the sessions unattended.
