## The Perdiswell Post

Dear Families,

We have enjoyed another special Harvest Service this morning with Reverend Todd and Reverend Lyndsey from St. Stephens Church. The children proudly and confidently read poems and performed songs in their year groups. The Reception children performed a fantastic 'Conker' counting song to the infants, their very first performance of the school year! Once again, our sincere thanks for your generous donations of produce. This will be delivered to the Worcester Foodbank early next week where it will be very gratefully received.

On Wednesday we had a musical assembly led by Mr Malpass, a peripatetic music teacher. The children thoroughly enjoyed his range of brass instruments, and we hope it inspired others to learn more instruments.

We have also welcomed staff from Freedom Leisure and Premier Education who have delivered tennis and archery workshops in school.

Next week we will be introducing a new first aid recording system. If your child has received first aid for any incident, you will receive a school accident report slip giving details. This will not replace the green head bump letters that will continue to be sent home.

Mrs Roach and Miss Forrester introduced the National Poetry Competition this week across the school. We look forward to reading the children's work in the coming weeks.

With the continuing rise of community transition of Covid 19 and the risk that this would pose to class teachers meeting parents face to face, we have decided to maintain the SchoolCloud Video system for the upcoming Parents' Evenings. More information will follow next week. If any parent feels they must see the teacher, please email using the year group emails and we may be able to support this.

I hope you all have a good weekend.

Rachel Hughes
