The Perdiswell Post

Dear Families,

The past two weeks have been a roller coaster of great learning and activities mixed with very challenging absence rates for both pupils and staff, due to Covid 19 infection rates. The children have been very understanding when there have been changes to staff and timetables and we will continue to try and keep as much consistency as possible in the coming weeks. Please remain vigilant to any symptoms your children may be displaying but especially headaches and sore throat, as these have been the most prevalent. If you have received a notification letter for your child's class, please test your child for the full 7 days, to avoid further spread by asymptomatic children.

Yesterday's Maths Day focus was so enjoyable and thank you for all your support with costumes and ensuring that the children had practised so much at home. The children were excited and engaged in maths challenges and Times Tables Rock Stars, beating Mr Bradley's target of correct answers with 129,059 yesterday morning and another 25,000 achieved through the day! Congratulations to Elise Proust our Numbots champion and Edward Williams, our TTRS star, with 4A being the class winners!

Today, staff have attended a virtual training day with our Trust Primary School colleagues. It was a day of sharing new ideas, reflecting on our current approaches and considering how we can strive for betterment in all that we do. I am very proud of our Perdiswell staff team and without exception, everyone engaged in discussions and identified areas that we can focus on to improve outcomes for all the children. We have always been a good school and strive to achieve even better and we are delighted that we are supported by Tudor Grange Trust.
