Dear Parents & Carers,

Following our wonderful Safer Internet Day yesterday, we would **urge you to sign up to the [National Online Safety website](#)**, if you have not already done so. **It is a vital step to enable our Perdiswell community to work together in keeping our **children safe online**.**

This **essential** training will support both home and school, to ensure a safe online experience for your children, as we do deal with online e-safety issues and occasions when children say or send unkind messages to each other.

We are committed to ensuring that parents and carers are **fully engaged** in learning how to help their children stay safe online.

The resources include:

- two courses (presented by Myleene Klass) which are age specific (linked below),
- further online video resources
- weekly guides covering a huge range of topics

The two courses are:

[Annual Award in Online Safety for Parents & Carers of Children aged 3-7](#)

[Annual Award in Online Safety for Parents & Carers of Children aged 7-11](#)

Here is a reminder how to create your account:

When you're set up, you'll be able to set 'Parent/Carer' as your user type.

You can access National Online Safety online via any device- including via the brand-new smartphone app. To download the app, please go to:

We regularly send out E-Safety bulletins as well, to all our parents and carers. These can be viewed [here](#).

Thank you for your support and for helping us to keep our Perdiswell community safe.

Yours sincerely
