

Enrichment and External Clubs Academic Year 2023-2024

Please read the following information carefully...

The School led and Oddstepperz clubs are available on 'MyChildAtSchool' parent portal for **all three terms**. You will be selecting **one club, in each term**, for your child.

The Empower Active Football club is available on their website via this link.

<https://empoweractivecic.kidsclubhq.co.uk/register>

To express interest in each club, please add your child to the waiting list via the 'MyChildAtSchool' parent portal from 8:00pm today (Friday 15th September 2023). This includes the Spring and Summer clubs. Please note it will state that the club is full, however, this is just to trigger the waiting list option. **Please do not pay for a club on MCAS until your child's place has been confirmed.** The link for booking will close on Monday 18th September at 10:00am.

You will be notified week commencing 18th September 2023 via email, if your child has gained a place.

For the school led and Oddstepperz paid club, this will generate an outstanding payment on 'MyChildAtSchool' for you to pay by 10:00am on Thursday 16th September 2023. Non-payment by this time will result in your child losing their place.

The start and end dates of each club is clearly marked on the attached table. Please keep this on your fridge or in another safe place for you to check when needed.

Please Note:

- *Football Club is usually very oversubscribed. For those children who are not allocated a space in the Autumn term club, we will liaise with Empower Active to ensure they will be automatically given a space for the Spring term. Enrolment in the Autumn term club does not guarantee a place in the Spring term club.
- *There is a limit of one club per child per term to ensure fairness. If your club of choice is Football Club, please express interest in another club too, just in case you are not allocated a place.
- We are unable to guarantee that your child will get a place in a club each term, but we will do all we can to accommodate as many as possible.
- It is occasionally necessary to cancel after school clubs. We will give as much notice as possible.
- Friday 6th October, Monday 8th January, Monday 29th January and Friday 28th June are Teacher Days and school will be closed to all pupils.

Tudor Tea Time After School Care:

- If your child goes from one of the above clubs to our After School Care, the normal terms and conditions apply.

If you have any queries, please contact the school office via the email address above.

Yours sincerely, Mr Grange, PE Co-ordinator

Enrichment and External Clubs

Academic Year 2023-2024
