

Safeguarding at Perdiswell

What is Safeguarding?

- How we keep you safe in school and out of school.
- How we teach you about keeping yourself safe, risks and things that can harm you.
- Showing you how to share your concerns and worries.
- How we work with other adults (parents/cares, social workers, police) to make sure you are safe.

Tell someone if:

- ✓ Someone is hurting you or is making you feel bad about yourself.
- ✓ You think you are being bullied.
- ✓ Someone is touching you inappropriately.
- ✓ Someone is sending you unkind messages.
- ✓ You are worried about someone at home

How we are taught about safety

- In our PSHE and computing lessons, we learn how to stay safe online.
- Protective Behaviours are taught and we learn that 'Pants are Private.' We learn about signs in our body, when we feel uncomfortable about something and what to do if this happens.
- We identify adults who we can talk to if we are having trouble at home or school.
- Assemblies teach us about water and sun safety, and we have visitors who remind us how to keep safe around lorries and when riding our bikes.

Who we can talk to

If you are worried about something you can talk to any adult in school.

- class teacher
- teaching assistant
- lunchtime supervisor
- Nurture Team - Mrs Underhill or Mrs Walker
- People you put on your network hand.

DSL Mr Norman

DDSL Mrs Evans

DDSL Mrs Brooks
